## Expression of Interest (EOI)

### Invitation to Participate in the Training/Skilling Program for Contractor Saksham Yuva Scheme in the State of Haryana

The Government of Haryana, in collaboration with Shri Vishwakarma Skill University is excited to announce the initiation of a comprehensive training and skilling program aimed at augmenting the capabilities of civil engineering graduates to meet the demands of the construction industry as skilled contractors. This initiative seeks to bridge the gap between academic knowledge and the practical skills required in the field, ensuring gainful employment and contributing to the development of the state.

The program aims to train and up skill 10,000 Degree/Diploma holders in Civil Engineering, Mechanical, Electrical and Electronics over one year, enhancing their competencies in various critical areas such as project management, software applications in civil engineering (AutoCAD, MS Excel, MS Project), tendering processes, quality control, and other related skill sets.

We invite expressions of interest from seasoned professionals, retired XeNs, SDOs from the Civil, Mechanical, Electrical Background from the Indian Buildings Congress, the Building Materials Technology Promotion Council, leading Experts in Public Works, the National Council for Cement and Building Materials, Central PSUs like NBCC, NPCC etc, retired civil engineers of PWD, Irrigation, PHE, Panchayat Raj, Local Bodies, etc. who possess good Civil Engineering / Contracting and Project Management Expertise for skilling our trainees primarily in:

- AutoCAD, Microsoft Excel, and Microsoft Project
- Project Management including planning, organizing, and prioritizing
- Surveying, estimation of costs, tender process, and bidding
- Monitoring and overseeing construction works
- Construction material, equipment, labor, and accounts management
- Liaison and coordination with stakeholders
- Leadership skills, communication effectiveness, and adaptability
- Contracting license, labour laws, insurance rules, GST
- Quality control and IS codes
- Measurement and billing

Contributing to this program offers a unique opportunity to shape the future of the civil engineering workforce in Haryana, fostering a new generation of skilled contractors equipped with the knowledge and
