About SVSU

SVSU is India's First Skill University established by the Govt. of Haryana by a legislative Act in 2016. The objective of SVSU is to facilitate & promote skill, entrepreneurship development, skill-based education and to upgrade skill level in various emerging sectors. SVSU's main campus is built on 82.7 acres of land at village Dhudhola, Distt. Palwal with a state-of-the-art infrastructure.

Vision

To emerge as one of the foremost institutions of quality in skill education that bridges the gap between academic learning and practical application and becomes a hub of excellence, where cutting-edge research and industry partnerships converge to cultivate the most sought-after skills of the future.

Mission

Our Mission is to design, develop and deliver, need based, outstanding skill development training for individuals that fosters their personal and professional growth and empowers them with relevant skills and practical experience required to excel in ever evolving global landscape of jobs. Our commitment lies in unlocking their full potential for sustainable employability and livelihood opportunities through high-quality educators, instructors and a world class training infrastructure aligned with industry requirements and international standards.
