Shri Vishwakarma Skill University (SVSU) has designed a Diploma in Hospitality-Ethnic Foods & Sweet Processing under Dual Education model. The programme is aligned to National Skill Qualification Framework (NSQF) Level-5, which will be conducted in collaboration with Bikanervala Food Pvt. Ltd. Processing of ethnic foods involves use of raw ingredients to produce marketable food products that can be easily prepared and served to the consumer.

Programme Model & Pedagogy

SVSU has built a strong partnership with the Industry to facilitate students' training, employability and entrepreneurship through the On-the-Job Training (OJT) approach. The university has designed, developed and deployed Industry Integrated Dual Education Model (IIDEM) that enables students to "earn-while-learn" and provides an opportunity to enhance their qualification with the flexibility of entry and exit into a programme. SVSU has conceptualised the IIDEM programme, which is designed in such a manner that 60 percent of the credits are earned while working on the OJT and the rest 40 percent come from the theoretical and conceptual training. The entire pedagogy is designed to develop an application-based learning that makes students job-ready by earning industry work experience and learning the technical concepts hands-on.
