Subject: Request for Proposal for Empanelment of Training Partners of Haryana Skill Development Mission for Shri Vishwakarma Skill University's Construction Skill Academy at village Dudhola, Palwal

Dear Sir,

Greetings from Shri Vishwakarma Skill University!

In line with Skill India Mission's objective, Government of Haryana established Shri Vishwakarma Skill University (SVSU) (erstwhile Haryana Vishwakarma Skill University) under Act 25 of 2016. The University is aiming at providing structured skill qualification programs aligned with existing and emerging job roles of the Industry. The University campus is being built on 82.7 acres of land with a state-of-the-art infrastructure to accommodate 12,000 students per year. The University has designed, developed and deployed Industry Integrated Dual Education Model (IIDEM) that facilitates **"Earn-While-Learn"** and provides students with opportunities to enhance their qualifications with flexibility of entry and exit. The University has developed customized programmes through integrated work and study model to cater to industrial demand of skilled resources. It has conceptualised various innovative long term programmes embedded classroom, practical and on-the-job training (OJT) for various renowned Industry Partners of SVSU.

We are pleased to inform that the first building at the campus site, Dudhola, Palwal which is namely **Construction Skill Academy (CSA)** has been completed.
