Skill Credit Framework for State to enable pathways in Skill Development

Introduction

Shri Vishwakarma Skill University is working towards strengthening the skill development ecosystem of the State. As part of the overall objective of this reform, the University is looking to create academic pathways for trainees admitted in Long and Short Term skill development programs by enabling identification, recognition and transfer of credits for skill development courses pursued by any trainee. As part of creating this macro credit framework policy, in this connection a State level Committee is being constituted a SVSU to develop and recommend the policy. This committee would be closely interacting with the Department of Skill Development and Industrial Training.

The Structure of the Committee to develop and recommend the Policy

To create pathways and enabling identification, recognition and transfer of credits for the Trainees of short term, long term courses and school certificate courses.

Roles and Responsibilities

Appointees would be responsible to drive the following in consultation with the other Committee Members, Government stakeholders, Industry and Academia

1. Set up credit accumulation and transfer mechanism in the State across general education and vocational education programs to enable horizontal and vertical mobility
2. Identify the rules of credit allotment for all courses and design a formal mechanism for awarding credits
3. Leverage the National Skills Qualification Framework (NSQF) to provide structure and development of pathways, providing students to move between education, training sectors and labour market
4. Provide opportunities for individuals to gain recognition for the prior learning and experience
5. To provide reference points for qualification standards in designing and approving of new programmes and modules
6. Formulate a comprehensive State level Credit Framework for all education and training programs laying out a uniform education landscape for the State
7. To benchmark with international qualification standards and to provide for acknowledgement of the State's credit framework for global acceptance
