Message From Vice Chancellor

Sh. Raj Nehru

I am pleased to introduce our special Innovative SVSU Sr. Secondary Skill School (Feeder School) affiliated with CBSE. It is first such school in India aligned with the NEP-2020 and NSQF to promote skill based education from IX standard.

The SVSU Sr. Secondary Skill School (Feeder School) is established to provide integrated skill and vocational education right from the school level. The students will be introduced to the world of current and emerging vocations at an early stage of their development.

This model of integrated education will provide them with opportunities to pursue higher vocational education as well or exit into the employment market as a skilled resource, in various job roles of their interest.

The school is in line with the vision of Hon'ble PM and Hon'ble CM, Haryana to integrate skill education with general education from the early stage of life, in line with the objectives of KG to PG model education.

I would like to encourage all the aspiring students to come and join the innovative skill education school and experience the world in creative way.

Message From Worthy Registrar & Principal (Feeder School)

Prof. Dr. R. S. Rathore

SVSU Sr. Secondary Skill School (Feeder School) is the first skill school in India offering NSQF aligned skill subjects from IX standard. Feeder school is situated at the campus of Shri Vishwakarma Skill University in Village Dudhola, District Palwal.

The curriculum scheme is as per CBSE guidelines. Student can opt for any two skill based subjects in addition to other academic subjects. The school is well equipped with modern classrooms, computer labs, enriched library and skill labs along with well qualified and experienced teachers and instructors.

It is a good opportunity for aspiring students to learn while doing simple tasks. The school is committed for holistic development of the students and make them successful in their life.

Join the Feeder School to excel in the area of your interest.

About Shri Vishwakarma Skill University

In tune with its vision of a skilled India, the Government of Haryana established the Shri Vishwakarma Skill University (SVSU), a first of its kind in India, in 2016 to be set up at village Dudhola in District Palwal, Haryana. The University is aimed at providing structured skill qualification programmes that are aligned with existing and emerging job roles in the industry and other sectors. These programmes will be mapped with the National Skills Qualifications Framework (NSQF) that shall facilitate upward mobility of students from Certification to Doctoral level. The University is being built on 82.7 acres of land with state-of-the-art infrastructure at a project cost of about 980 Crores with the capacity to train 12,000 students per year as part of its master plan.
