GUIDELINES

INTRODUCTION

Skill Education has played a very significant role in employment generation and nation building all over the world. It is visible that no culture and nation can rise without strengthening the skill education system in the nation. It requires motivation for students to take skill-based education. There is a need to attract young and talented students to pursue Skill education. It is observed and on the basis of skill gap analysis that the brighter lot is not pursuing Skill Education in our universities. To emerge as a powerful state and nation, there is a need of motivating and attracting talented boys and girls to take admissions in the Skill education by way of providing them scholarships. The University, therefore, introduced an Industry Scholarship Scheme for the students.

The scholarship may be tenable for a period of one/two/three/four years to enable the students of the university at Diploma/Undergraduate/Post graduate level. The purpose of this scheme is to attract talent for pursuing diploma, under graduate and post graduate studies.

OBJECTIVES OF THE SCHEME
