# CHANCELLOR'S MESSAGE

**SH. BANDARU DATTATREYA**  
**CHANCELLOR**

**Bandaru Dattatraya**  
Governor, Haryana

संदेश

**बंडारु दत्तात्रेय**  
राज्यपाल, हरियाणा

मुझे यह बताते हुए अत्यंत हर्ष एवं गर्व हो रहा है कि श्री विश्वकर्मा कौशल विश्वविद्यालय कौशल शिक्षा के क्षेत्र में वैश्विक स्तर का अधिमान बन गया है। देश का पहला राजकीय कौशल विश्वविद्यालय होने के नाते श्री विश्वकर्मा कौशल विश्वविद्यालय कौशल एवं उद्यमिता के क्षेत्र में अग्रदूत की भूमिका निभा रहा है।

इस विश्वविद्यालय ने बहुत कम समय में इंटरस्ट्री, कॉरपोरेट और निजी व सरकारी क्षेत्र की आवश्यकताओं को न केवल समझा, बल्कि उनके अनुरूप जॉब रोल तैयार किए हैं। रोबोटिक्स एंड ऑटोमेशन और इलेक्ट्रिक व्हीकल के क्षेत्र में श्री विश्वकर्मा कौशल विश्वविद्यालय महत्वाकांक्षी कार्य कर रहा है। ड्रोन का बड़ा हब स्थापित करने की तैयारी है। आर्टिफिशियल इंटेलिजेंस, इन्फोर्मेशन टेक्नोलॉजी, मेकैट्रॉनिक्स और फोरेंसिक जैसे विषयों के अलावा एथनिक फूड, योग, लोक कला, वेलनेस और कृषि में प्रोग्राम बहुत प्रासंगिक हैं। किसानों की आमदन बढ़ाने और युवाओं को कृषि तथा बागवानी में व्यवसायिक उत्कृष्टता प्रदान करने की दिशा में उल्लेखनीय प्रोग्राम विद्यार्थियों के लिए सुनहरी अवसर हैं। जापानी और जर्मन भाषा के माध्यम से अंतर्राष्ट्रीय अवसर भी विद्यार्थियों की प्रतीक्षा कर रहे हैं।

राष्ट्रीय कौशल योग्यता फ्रेमवर्क (एनएसक्यूएफ) के अनुरूप यह सब प्रोग्राम हरियाणा कौशल विकास मिशन और एचएसआईआईडीसी के उद्देश्यों की भी प्रतिपूर्ति है। साथ ही 'कौशल भारत-कुशल भारत' और स्किल इंडिया जैसे अभियानों को पुष्ट करने में यह प्रयास बड़ा कदम है। श्री विश्वकर्मा कौशल विश्वविद्यालय में 85 प्रतिशत से अधिक प्लेसमेंट और उद्यमिता का विकास महत्वपूर्ण है।

श्री विश्वकर्मा कौशल विश्वविद्यालय उद्यमिता एवं कौशल का सुखद एवं सार्थक समुच्चय बनकर उभरा है। विकसित भारत के लक्ष्यों की पूर्ति में युवाओं की भूमिका अत्यंत महत्वपूर्ण है। नवाचार को अंगीकार कर अनुपम आदर्श स्थापित करने की दृढ़ इच्छा शक्ति रखने वाले सभी विद्यार्थियों को मेरी शुभकामनाएं।

# VICE CHANCELLOR'S MESSAGE

**DR. RAJ NEHRU**

**VICE CHANCELLOR**

मुझे यह बताते हुए अत्यंत हर्ष व गर्व हो रहा कि श्री विश्वकर्मा कौशल विश्वविद्यालय माननीय प्रधानमंत्री जी के विकसित भारत के स्वप्न को साकार करने में अपनी महती भूमिका निभा रहा है।

विकसित भारत 'मछली की आंख' की भांति हमारा परम लक्ष्य है। इसकी पूर्ति के लिए कौशल के 'बाण' और उद्यमिता के 'धनुष' की आवश्यकता है। साथ में अनुभव और अभ्यास से बनी 'प्रत्यंचा' अपेक्षित है। इन सबकी पूर्ति राष्ट्रीय यज्ञ है। श्री विश्वकर्मा कौशल विश्वविद्यालय इस यज्ञ की राष्ट्रीय वेदी के रूप में उपस्थित है। विकसित भारत के लिए उत्कृष्ट एवं कुशल मानवीय संसाधन तैयार करना हमारा सबसे बड़ा लक्ष्य है। यह शाश्वत सत्य है कि मनुष्य ने स्वयं को कौशल सिद्ध करके ही जीवन में समस्त सफलता, सरलता, समृद्धि और सुख अर्जित किए हैं। कौशल का नैसर्गिक विकास मानव मस्तिष्क की देन है। आज मानव मस्तिष्क ने अपने से भी अधिक कुशल आर्टिफिशियल इंटेलिजेंस का निर्माण कर लिया है। तकनीक और कौशल के पहियों पर सवार मानव जाति उत्कृष्टता के दुर्ग पर खड़ी है। अवसर और चुनौती दोनों समानांतर अनुगमन कर रहे हैं। विकसित भारत के लक्ष्य की पूर्ति के लिए कौशल को विकसित करना और उसे अधिक से अधिक मस्तिष्क तथा हाथों तक पहुंचाना वर्तमान की सबसे बड़ी आवश्यकता है। इसी अनिवार्यता से देश के पहले राजकीय कौशल विश्वविद्यालय, श्री विश्वकर्मा कौशल विश्वविद्यालय का उदभव हुआ है। माननीय प्रधानमंत्री श्री नरेन्द्र मोदी जी के 'कौशल भारत-कुशल भारत' के नारे के क्रियान्वयन की दिशा में यह हरियाणा सरकार का उल्लेखनीय कदम है। मुझे यह कहते हुए अत्यंत हर्ष एवं गर्व हो रहा है कि विगत 7 वर्षों में यह विश्वविद्यालय कौशल शिक्षा के अग्रदूत के रूप में स्थापित हो गया है। यह देश के अन्य राज्यों के लिए भी कौशल शिक्षा का एक आदर्श मॉडल है।

श्री विश्वकर्मा कौशल विश्वविद्यालय के दुधौला स्थित परिसर के प्रथम चरण का निर्माण पूरा हो गया है। 82.7 एकड़ में फैला यह भव्य और नव्य परिसर उत्कृष्टता का आदर्श प्रतीत होता है। अत्याधुनिक प्रयोगशालाओं, एडवांस्ड मशीनों तथा उपकरणों के सुसज्जित सेंटर ऑफ एक्सीलेंस विद्यार्थियों को नवाचार और कौशल विकास के लिए आमंत्रण दे रहा है। सीखो कमाओ और अपनी पहचान बनाओ, विश्वविद्यालय का यह नारा उन सभी विद्यार्थियों की मेधा का आह्वान करता है, जो कौशल के संसार में उत्कृष्टता पाने की दृढ़ इच्छा रखते हैं।

श्री विश्वकर्मा कौशल विश्वविद्यालय का संस्थापक कुलपति होने के नाते मैं पूरे आत्मविश्वास के साथ कहता हूँ कि शिक्षा का यह दोहरा एकीकृत मॉडल कौशल शिक्षा की उत्कृष्टता की गारंटी देता है। हमारे स्मार्ट क्लास रूम का एक दरवाजा सीधा उद्योग में खुलता है। हम उद्योग और क्लास रूम को अत्यंत निकट लाने में सफल हुए हैं। पाठ्यक्रम बनाने से लेकर हैंड्स ऑन प्रैक्टिस और ऑन द जॉब ट्रेनिंग में हमारे 120 से भी अधिक सक्रिय इंडस्ट्री पार्टनर की महत्वपूर्ण भूमिका है। विदेशी विश्वविद्यालयों और संस्थानों के साथ हमारे एमओयू वैश्विक परिदृश्य में प्रगति के प्रतीक हैं।

रिकॉग्नेशन ऑफ प्रायर लर्निंग (आरपीएल) के हमारे प्रारूप को देश के अन्य अग्रणी विश्वविद्यालय और संस्थान भी आत्मसात कर रहे हैं। अनुभवजन्य विद्या को उच्च स्तरीय अकादमिक डिग्री में परिवर्तित करने का यह मॉडल देश के ग्रांस एनरोलमेंट रेशो को विकसित देशों के बराबर ले जाकर खड़ा करने का सकारात्मक प्रयोजन है।

राष्ट्रीय शिक्षा नीति के अनुरूप इस परिसर में केजी टू पीजी मॉडल को साकार करने की दिशा में हम अग्रणी हैं। एनएसक्यूएफ से संरेखित दीर्घ एवं लघु अवधि के प्रोग्राम विविध जॉब रोल के अनुरूप विकसित किए गए हैं। इस वर्ष 50 से भी अधिक 'प्रोग्राम' विद्यार्थियों के लिए उनकी अभिरुचियों के अनुरूप उपलब्ध हैं। 85 प्रतिशत से भी अधिक प्लेसमेंट और शेष अधिकतर विद्यार्थियों की उद्यमिता कौशल शिक्षा के इस मॉडल की सफलता का सुखद प्रमाण है। विद्यार्थियों के अध्ययन के लिए विश्व स्तरीय पुस्तकालय, उत्तम श्रेणी के महिला एवं पुरुष छात्रावास और समुचित यातायात व्यवस्था के अतिरिक्त कैम्पस में सुरक्षित एवं व्यक्तित्व विकास हेतु समृद्ध वातावरण श्री विश्वकर्मा कौशल विश्वविद्यालय को विशिष्टता की श्रेणी में सम्मिलित करता है। अंतर्राष्ट्रीय स्तर के मानकों पर दक्ष शिक्षक हमारी विशेषताओं में सर्वोपरी हैं।

मैं उन सभी विद्यार्थियों का आह्वान करता हूँ जो पारंपरिकता से इतर नवाचार को आत्मसात कर फलक पर नए कीर्तिमान गढ़ना चाहते हैं। श्री विश्वकर्मा कौशल विश्वविद्यालय में आपका स्वागत है। मैं आपको विश्वास देता हूँ, यहां आपके संकल्पों को सफलता के आकाश में असीमित उड़ान के लिए कौशल और उद्यम रूपी पंख मिलेंगे।

# REGISTRAR'S MESSAGE

**PROF. (DR.) JYOTI RANA**  
**REGISTRAR**

Established in 2016 as Shri Vishwakarma Skill University, Palwal, our institution stands as the premier government skill university in India. Committed to our mission, SVSU offers an array of programs spanning short-term courses aligned with industry research, multi-skill development, as well as vocational, undergraduate, and post-graduate studies.

At SVSU, our curriculum is meticulously crafted, staying at the forefront of innovation and directly applicable to real-world business scenarios. The result of collaborative efforts from esteemed educators, industry experts, and research organizations, it ensures our students are well-equipped for the demands of today's workforce.

I firmly believe that SVSU is steadfastly progressing towards its goals, nurturing the next generation and contributing significantly to the nation's development. With unwavering support from our key stakeholders - businesses, parents, students, and potential employers - I am confident in our ability to realize our shared objectives.

Our alumni stand as shining examples of astuteness, intelligence, and entrepreneurial spirit. Through our global industrial partnerships, we provide ample opportunities for our students to foster a global mindset.

To all national and international students embarking on their educational journey with us, I extend a heartfelt welcome. Embrace every opportunity to unlock your potential, persist in your endeavours, and always hold onto your self-belief.

Best wishes for the journey ahead.

## Evolution of University's Logo & Design

**Logo** - The logo of Shri Vishwakarma Skill University has been thoughtfully designed by young minds, who think freely and view things from different perspectives. It is an outcome of an open design competition which was held by the University in 2017.

The motto “योग: कर्मसु कौशलम्” has been adopted from Shrimad Bhagwat Gita (Chapter 2. Verse 50). Any work becomes valuable if done with full concentration, dedication and skill. The blue colour of the logo denotes that the Shri Vishwakarma Skill University is committed to uphold the dignity of skill and labour. Seven dots represent saptarishis in the universe who are collectively bringing the unrevealed wisdom, philosophy, science and knowledge of cosmos to connect with human mind to skill them to think out of box, with infinite limits.

The centre piece collectively represents the spirit of ideation, creativity and progress encompassing the best of traditional and modern values and wisdom. The pen nib and spanner remind us to work with our own hands to acquire knowledge and skill, till perfection is achieved. Wi-Fi symbol and the monitor stand for the global connectivity and digital learning. The red arrow is indicative of sustained progress with adaptability to change. It also bridges the shift between our roots and the future via the means of technology.

Holistically, the logo resembles a thoughtful mind integrating knowledge, value, ethics and skills for innovative thinking. It resounds the philosophy of the university to create young minds full of new ideas and thoughts and having skills to transform them into reality for upliftment of mankind.

Lord Vishwakarma who is known to be the architect of this universe is also the designer of all flying chariots of Gods and their divine weapons. Chariots have significant place in our civilization. These were driven by horses and also known for the purpose, speed and dynamism. It is over such chariot, aeons ago Lord Krishna revealed the Principles of Karma to Arjuna that guided him to the path of purposeful action and also set the direction for generations to beacon with. We take inspiration from the chariot and connect with the legend of Haryana, that is Mahabharata. Lord Vishwakarma was also a city planner; who created Dwaraka, the capital of Lord Krishna; town of Hastinapur - the capital of Kauravas and Indraprastha for Pandavas. The six academic blocks are conceived as horses and administrative and auditorium blocks as balancing wheels of the chariot.

## Programme Model and Pedagogy

**SVSU** has built a strong partnership with the industry to facilitate student's employability and entrepreneurship through On-the-Job Training (OJT).

The University has designed, developed and deployed Industry Integrated Dual Education Model (IIDEM) that facilitates "Earn-While-Learn" and provides the students with the opportunity to enhance their qualification with flexibility of entry and exit into a programme. SVSU has conceptualized IIDEM programme with various Industry Partners, which is designed in such a manner where 60% of the credits are earned through Skill Enhancement Component courses, integrated with National Apprenticeship Promotion Scheme (NAPS), offering stipend.

The classroom training shall be imparted by the SVSU faculty and other industry experts. Practical & workshop experience are the key components of the overall training methodology. 40% of the credits shall come from the theoretical and conceptual training. The entire pedagogy is designed to develop application-based experiential learning that will make students job-ready from day one.

Every Skill Faculty also offers PhD Program. The seats and the admission process of the PhD programme will be announced separately.

## On-the-Job Training (OJT)

The OJT is a mandatory constituent of the Programmes offered by SVSU. The department accommodates the students to get OJT across different job-roles in each semester so as to focus on outcome-based learning. As a part of programme's training delivery, all students have to undergo OJT scheduled at the industry partner's shop floor/ workplace to work on the actual machines/ business processes. OJT working hours are linked to the required credits for the programme. The daily duration of OJT shall be a maximum of nine (09) hours. The OJT shall be carried out under the supervision of supervisor-cum-trainer nominated by industry partner. The OJT areas are subject to availability; students cannot claim for specific OJT areas. It is mandatory that students comply with industry OJT requirements including rules and discipline prescribed by the OJT partner. The stipend during the OJT will be the discretion of industry partner and it may be offered with or without stipend. OJT location may vary as per industry partner requirements anywhere in India and students are required to follow the necessary guidelines.

After deployment of the students in the industry, students are registered on Digital OJT Diary Platform and login credentials are created and shared among the students. On daily basis students have to fill the learning outcomes of the day regularly and OJT mentor as well as Industry Mentor assesses the performance of the students on regular basis.

The students going on OJT are also assessed on the basis of reports of Digital OJT Diary Portal encompassing both internal and external marks.

The students during their OJT shall:

- Work in the available OJT areas as assigned by SVSU/ industry mentors.
- Observe the industry's occupational health and safety rules and processes.
- Follow the rules and instructions of SVSU and OJT partner.
- Abide by the rules and standard operating procedures of the industry as applicable to
- Work on the shop floor/ work place.
- Be in the uniform of University/OJT partner as applicable.
- Attend the OJT on a regular basis. Students must have a minimum of 90% attendance during OJT in order to be eligible for the end semester examination.

Every student is required to fill the following on daily basis on the online OJT diary -

1. One Observation of the day
2. Job Assigned
3. Machines/SOPs used
4. Skill learnt
5. Challenges faced
6. Ideation, if any

Further details of the OJT diary are Programme based .

# Academic Structure

This university has four Skill Faculties, namely:

**Skill Faculty of  
Engineering & Technology**

**Skill Faculty of  
Management Studies and Research**

**Skill Faculty of  
Applied Sciences and Humanities**

**Skill Faculty of  
Agriculture**

## Skill Faculty of Engineering and Technology

### Overview

The Skill Faculty offers Certificate/Diploma/Degree/PG level programmes in collaboration with the industry through following departments :

1. Skill Department of Automotive Studies
2. Skill Department of Construction Management and Technology
3. Skill Department of Green Technology
4. Skill Department of CS/IT
5. Skill Department of Industry 4.0
6. Skill Department of Plastic Technology

## About the Programms

### Diploma of Vocation (D. Voc.) Mechanical Manufacturing #

**Industry Partner:** RoopAuto

**Department:** Skill Department of Automotive Studies

**Duration:** 2 Years (4 Semesters) As per NEP 2020

**About the programme:** The manufacturing of automotive components drives economy for mass production of components especially used in the automotive industries. Therefore, the latest machines like CNC machining centers, CAD/CAM facilities, idea-Unigraphics, and 3-D modelling are used for optimal design/manufacturing.

D.Voc. (Mechanical–Manufacturing) is aligned to NSQF and in Dual Education Model. It is a three-year programme divided into 6 semesters. The On-The-Job-Training (OJT) of the programme shall be at the shop floor of Roop Automotive Ltd. as its' industry partner. OJT enables students to learn manufacturing of components to be used in various industries like automobile, textile, plastics, packaging etc. The focus of the programme is on preparing students to work on conventional machines, CNC vertical turning, CNC drilling machines, CNC horizontal machining, destructive and non-destructive testing, pneumatics and hydraulics, heat treatments, material handling systems, and coordinate measurement machines, and also learn process planning, estimation, and costing of manufacturing of components.

### Diploma of Vocation (D. Voc.) Mechanical Manufacturing #

**Industry Partner:** SKH Metals Ltd. & Senior India Pvt. Ltd.

**Department:** Skill Department of Automotive studies

**Duration:** 2 Years (4 Semesters) As per NEP 2020

**About the programme:** D.Voc. (Mechanical-Manufacturing) programme is aligned to the National Skills Qualifications Framework (NSQF) Level-4 based on Dual Education Model, is in association with SKH Metals Ltd. & Sr. India Pvt Ltd. It will enable students to realize the complexity of processes handled at shop floor and allow them to gain hands-on experience of On-the-Job Training (OJT) at the shop floor, equipped with latest technological tools & machines of our Industry Partners. The focus of this programme is on preparing students to become familiar with the environment of shop floor in industries and to effectively use tools and equipment for achieving quality in manufacturing processes. The programme will provide in-depth knowledge in the field of Assembly line, CNC machines programming, CMM machines, Measurement and metrology, and Quality inspection/control and impart learning in frontier areas of Automotive Component Manufacturing, including machines, processes, products, programming, testing & quality control.

## **Diploma of Vocation (D.Voc.) Industrial Electronics #**

**Industry Partner:** East West Automation Tech. Pvt. Ltd. and Padget Electronics Pvt. Ltd.

**Department:** Skill Department of Industry 4.0

**Duration:** 2 Years (4 Semesters) As per NEP 2020

**About the Program:** The Diploma of Vocation (Industrial Electronics) is based on the Dual Education Model and is aligned with NSQF Level 4. The programme is run by SVSU with industrial collaborations with East West Automation Technology Pvt. Ltd. and Padget Electronics Pvt. Ltd., Noida. Students will be taught about the complexities of cable/wire manufacturing, component assembly processes, electronics devices, analog and digital circuits, embedded system programming, as well as their importance, applications, and quality control. Students will be trained to access, analyze, manage, and present data to help the organization make better decisions. The goal of this programme is to familiarize students with the environment of electronic processes, which are necessary for the manufacturing and assembly of various types of wires, cables, connectors, and components in accordance with industry requirements. The programme will prepare students for market demanding job roles to repair and fit electronic devices, machinery and industrial equipment that are used for both public and private sectors. Certified and trained students will be able to test and inspect electronic systems, components and equipment.

## **Diploma of Vocation (D. Voc.) Draughtsmanship (Civil) #**

**Industry Partner:** SVSU

**Department:** Skill Department of Construction Management & Technology

**Duration:** 2 Years (4 Semesters)

The programme in draughtsmanship focuses on developing the skills and knowledge, necessary to create accurate and detailed technical drawings. It typically covers various aspects of drawing, including architectural, mechanical, electrical, and civil engineering drawings. The program includes both theoretical and practical components to provide a comprehensive understanding of draughtsmanship.

The main thrust is on the skilling in:

- (i) Surveying
- (ii) Manual and AUTOCAD Drawings
- (iii) Estimating and Costing
- (iv) Construction materials in civil engineering
- (v) Safety aspects in Construction
- (vi) Hands-on training in the field.
- (vii) Field Visits and Seminars/Workshops.

## Diploma in Computer Engineering

**Industry Partner:** SVSU

**Department:** Skill Department of CS/IT

**Duration:** 3 Years (6 Semesters)

**About the Program:** The Diploma in Computer Engineering is a 3-year programme comprising of 6 semesters. Each semester aims to develop competencies among students for their personal and professional growth. Computer Industry is the one of India's fastest growing industries and will grow in future as well. As a part of industry-oriented curriculum they will be provided knowledge and skills with various subjects such as Operating Systems, Web-development, Networking, Databases, etc. with industry-oriented curriculum. This diploma provides core skills of engineering in computer/ IT industry along with entrepreneurship skills to the youths. The empowered youths will be employable as a Junior Engineer, System Analyst, Software Develop, Associate Developer or Junior programmer.

## Diploma in Mechanical Engineering (Tool and Die)

**Industry Partner:** JBM Group

**Department:** Skill Department of Automotive Studies

**Duration:** 3 Years (6 Semesters)

**About the Program:** It is aligned with the Dual Educational Model's Unified Credit Level 4.5 and will be administered as an interdisciplinary programme by SVSU in partnership with the JBM Group. The Diploma Tool and Die is a six semesters course make up the three-year curriculum and offers flexible entry and exit during the course of the programme. The programme's main goal is to give students specialisation in the design and production of tool and dies for the manufacturing industry. The students will acquire the skill set needed for fitting tasks, tool upkeep, and die maintenance at an industrial level. This programme's unique component is On-the-Job Training (OJT), which will take place on the shop floor of our business partner, JBM Group, in Gurugram. In order to meet the demand for highly qualified professionals in the tool and die industry, OJT enables students to learn designing and fabrication of tools and dies in the entirety of processes and their application for mass production in various industries like automotive, textile, plastics, packaging, etc.

## Diploma Computer Generative AI / Cyber Security\*\*

**Industry Partner:** In-house SVSU Program

**Department:** Skill Department of CS/IT

**Duration:** 3 Years (6 Semesters)

**About the Program:** The Diploma in Computer (Generative AI and Cyber Security) spans three years, divided into six semesters. Each semester delves into providing students with a solid foundation in both Generative Artificial Intelligence (AI) techniques and Cybersecurity principles.

**Generative AI:** The Generative AI segment of the diploma explores fundamental concepts, including machine learning algorithms utilized for generating diverse data sets, images, textual content, and musical compositions.

**Cyber Security:** The Cyber Security component is dedicated to comprehending the principles and methodologies of safeguarding computer systems and networks against cyber threats. Key areas of study encompass Introduction to Cybersecurity, Cryptography, Network Security, Secure Coding Practices, Incident Response, and Forensic Analysis.

**Program Outcomes:** Upon completion of diploma, students will possess the technical acumen in Generative AI alongside the practical expertise necessary for fortifying computer systems and networks. This comprehensive skill set positions graduates for roles in cybersecurity, specializing in AI-driven solutions.

### **Bachelor of Vocation (B. Voc.) Solar Technology**

**Industry Partner:** Quadson Solar Ltd.

**Department:** Skill Department of Green Technology

**Duration:** 3 Years (6 Semesters)

**About the programme:** The B. Voc. Solar Technology is a 3-years undergraduate vocational programme comprising of 6 semesters. This programme is aligned to National Skills Qualification Framework based on dual education model. This programme is designed to empower the students professional as well as practical skills in the emerging areas of renewable energy. The programme will enable the students to realize the complexities of the design and installation of solar systems handled at the industry shop floor/installation sites. This programme focuses to prepare a student for addressing gaps in solar harnessing capacity and available skilled workforce along with entrepreneurial skills.

This programme imparts the comprehensive knowledge of both domains of solar i.e. Solar Thermal & Solar PV required for development of Solar Systems. Furthermore, it includes several unique features such as NSQF aligned courses, Application-based learning, Dual Education Model, Entrepreneurial skills and Industry support for Internship/On the Job Training that will prepare the learner holistically for the professional environment.

### **Bachelor of Vocation (B. Voc.) Mechanical Manufacturing**

**Industry Partner:** Anand Group

**Department:** Skill Department of Automotive studies

**Duration:** 3 Years (6 Semesters) +1Year As per NEP 2020

**About the programme:** The world is entering the Fourth Industrial Revolution, known as Industry 4.0. Immersive technologies like Virtual Reality and Augmented Reality with aggregate manufacturing technologies based on 3D Printing coupled with holography are making it possible. Shri Vishwakarma Skill University (SVSU) in collaboration with Anand Group, a known brand of the automotive world, has designed a Bachelor of Vocation

(Mechanical-Manufacturing) programme which is aligned with the National Skills Qualifications Framework (NSQF) based on Dual Education Model. The programme will enable students to understand the complexities of the manufacturing processes handled at the shop floors of the industry. The focus of the programme is on preparing them to become familiar with the manufacturing ecosystem while working with the industry and to effectively use tools and equipment for achieving stringent quality standards in the manufacturing sector in an optimized manner.

### **Bachelor of Vocation (B.Voc.) Robotics and Automation**

**Industry Partner:** JBM Group

**Department:** Skill Department of Automotive studies

**Duration:** 3 Years (6 Semesters) +1Year As per NEP 2020

**About the programme:** The world is moving towards a state of complete automation via state-of-the-art intelligent devices/robots, influencing multi-dimensional domains of human and industrial activities. Robotics and automation deal with the robot design, construction, and operation as well as computer systems for their control, sensory feedback, and information processing. The current programme, B.Voc. (Robotics & Automation), is NSQF-aligned and set in the Dual Education Model, which is running by SVSU in association with JBM Group as an interdisciplinary programme including Mechanical Engineering, Electrical Engineering, Computer Science, and other fields. The programme offers knowledge not only in various technical skills such as mechanical, electrical, electronics, computer science, and instrumentation and control systems, but also provides knowledge of applications of the Applied Science, Applied Engineering, and Applied Mathematics (STEM) through its special feature of more than 60 percent of On-the-job-training (OJT) experience. This is a three-year programme divided into six semesters with an option of flexible entry and exit at different stages. The programme is based on the “Earn-while” model.

### **Bachelor of Vocation (B.Voc.) Mechatronics**

**Industry Partner:** Hero Motocorp

**Department:** Skill Department of Automotive studies

**Duration:** 3 Years (6 Semesters) +1Year As per NEP 2020

**About the programme:** The world is leaping towards a total automation of all aspects of human life. All services/utilities/products/processes are exponentially getting automatic, self-driven, and on-auto pilot systems. Mechatronics is a synergistic combination of precision Mechanical Engineering, Electronics/Computers, Control and Automatic systems for the design of products and manufacturing processes. The B.Voc. Program in Mechatronics, designed for NSQF, aligned to Dual Education System, where SVSU provides subject teaching and skills are learned by students as 'On-the-Job-Training (OJT)' in the industrial environment with our industry partner Hero MotoCorp. The programme

curriculum imparts synergistic integration of Mechanical, Electronics, Control theory, and Computer Science, as applied to product design and manufacturing. It ensures optimization of various process functionalities and productivity enhancement.

### **Bachelor of Technology (B.Tech.) Computer Science Engineering (AI & ML)**

**Industry Partner:** Amazon, Falconix, Momagic, Zetrance technology private limited

**Department:** Skill Department of CS/IT

**Duration:** 4 Years (8 Semesters)

**About the Program:** The B. Tech. Computer Science & Engineering (AI & ML) is a 4-year undergraduate programme comprising of 8 semesters. This programme is designed to empower the students professionally as well as technically exceptional in developing advance machine learning systems by deploying Artificial Intelligence algorithms. This programme develops the skills of constructing the efficient applications or solutions integrated with analytical information ensuring specific output. This programme imparts a comprehensive knowledge of various programming languages required for development of AI and ML applications and systems. Elective courses on state-of-the-art technology like Blockchain, IoT, and cloud may also be offered to the students of this programme. This programme includes several unique features such as Project-based learning, choice-based credit system and Industry support for Internship/On Job Training that will prepare the learner holistically for the professional environment.

### **Bachelor of Technology (B.Tech.) Computer Engineering**

**Industry Partner:** In-house SVSU Program

**Department:** Skill Department of CS/IT

**Duration:** 4 Years (8 Semesters)

**About the Program:** B. Tech. Computer Engineering is a 4-year undergraduate degree programme which aims at providing a strong foundation for the aspiring students for a career requiring skills from computer science with an emphasis on comprehensive knowledge and applications of mathematics and principles of computing to solve engineering problems. This programme is designed to understand the process, practices, and gain knowledge regarding system and software development with in-built security features. This programme imparts the comprehensive knowledge of various programming languages required for development of secure systems and applications. Minor Degree Programmes offered for B.Tech. Computer Engineering students (Optional)The university offers more than one path goal to the Computer Engineering graduates. They will be able to choose their specialization with "Minor Degree" to enhance their employability skills. Minor degrees in the emerging areas such as Cyber security and Blockchain are also offered to the students of this programme. This programme imparts advanced knowledge of blockchain technology and malware reverse engineering, penetration testing, and cyber forensics. This programme includes several unique features such as project-based learning, choice-based credit system and industry support for internship / On Job Training that will prepare the learner holistically for a professional environment.

## **Bachelor of Technology (B.Tech.) Mechanical and Smart Manufacturing**

**Industry Partner:** Schneider Electric, JBM Group, Zetrance technology private limited

**Department:** Skill Department of Automotive Studies

**Duration:** 4 Years (8 Semesters)

**About the programme:** In line with the existing and emerging needs of the Manufacturing Industry (Manufacturing vision 2030), research and academics, Skill department of Automotive Studies under Skill Faculty of Engineering and Technology has designed, conceptualized and is introducing an innovative four-year B. Tech programme in Mechanical and Smart Manufacturing which offers flexibility to the students in accordance with the NEP 2020 and new guidelines issued by the AICTE APH 2022-23. The programme offers specialization related courses to build domain knowledge for smart manufacturing industries and provides the relevant skills in multi disciplinary areas of study. Immense significance is placed on industry internships with an attempt to provide hands-on experience in many spheres of technology related to smart manufacturing. This programme will provide students an opportunity to learn both fundamental concepts of Mechanical Engineering and Manufacturing Science, latest tools and technologies in the field of Industry 4.0 technologies –Automation / Robotics, Internet of Things, Artificial Intelligence, Additive Manufacturing etc. Choice based credits system (CBCS), Project based learning in each year of the programme, emphasis on skill-based learning, work exposure in industry, development of critical thinking and problem-solving aptitude for new product development are few salient features of the programme.

## **Bachelor of Technology (B.Tech.) Electrical Engineering**

**Industry Partner:** JBM Group, Zetrance technology private limited

**Department:** Skill Department of Green Technology

**Duration:** 4 Years (8 Semesters)

**About the Program:** The technological transformation and paradigm shift in the automotive industry targeting the growing demand for low emission commuting and Government's National Electric Mobility Mission Plan (NEMMP) 2020. It is also encouraging and facilitating greater adoption of 30% electric mobility in the country by 2030 has given rise to the need of skilling the workforce towards sustainable EV industry in the long-term leading to fiscal growth.

In line with the growing demand of e-mobility in automotive industry, Skill Department of Green Technology under Skill Faculty of Engineering and Technology has designed and is going to offer 4-years programme of Bachelor of Technology (Electrical Engineering) with minor degree/Hons. in Electric Vehicles aligned to NEP 2020 in association with industry partner JBM Group. It has been at the forefront of change and is spearheading new-age high tech transportation solutions. The programme's objective is to educate, engage and elevate

the skilling in EV ecosystem towards establishing a clean mobility ecosystem and achieving sustainable growth of the nation.

In view of industry led demand, the programme aims to offer specialization related courses to build domain knowledge for e-mobility and provide the relevant skills in the electric vehicles area of study namely battery driven electric vehicle dynamics, motors, power electronic converters, batteries, charging infrastructure etc. Immense significance is placed on industry internships/industry-based projects with an attempt to provide hands-on experience in e-mobility related technological fields.

### **Master of Technology (M.Tech.) Robotics and Automation**

**Industry Partner:** JBM Group and \*Orangewood Labs Pvt. Ltd. (MoU in process)

**Department:** Skill Department of Industry 4.0

**Duration:** 2 Years (4 Semesters)

**About the programme:** Robotics and Automation plays a vital role in making our lives very easy, fast and smooth in terms of technical advancements. Skill Faculty of Engineering and Technology offers the programme of M.Tech (Robotics and Automation) aiming to create workforce and innovative capabilities required at global level for robotics process automation keeping in view the soaring demand for new technology professionals. The M. Tech. programme in Robotics and Automation offered by the Skill Faculty of Engineering and Technology is completely in line with the existing and emerging needs of the industry, research and academics. The programme offers various specialization related courses to build domain knowledge and provide the relevant skills in multidisciplinary areas of study. Immense significance is given to industry-based projects in the final year internships and research.

### **Undergraduate Diploma in Interior Design #**

**Industry Partner:** SVSU

**Department:** Skill Department of Construction Management & Technology

**Duration:** 2 Years (4 Semesters)

**About the programme:** Undergraduate Diploma in Interior Design is a two Year undergraduate program that provides students with the skills and knowledge needed to pursue a career in interior design. The program focuses on both the theoretical and practical aspects of interior design, and students will gain experience in areas such as space planning, furniture selection, color theory, and lighting design. Some key elements that might be covered in a program in U.G Diploma / B.Voc in Interior Design:-

1. Technical drawing Skills
2. Computer Aided Design (CAD) Software
3. Architectural Drawings
4. Electrical and Electronic Drawings
5. Civil Engineering Drawings
6. Rendering and Visualisation

## Industry Partners

### B.Voc. Robotics and Automation

**ANAND Group:** ANAND Group was founded by Deep C Anand, and named after the founder. The company manufactures automotive components. It is responsible for introducing different kinds of automotive equipment into the Indian market. The history of ANAND dates back to 1961 when Mr Deep C Anand, Founder of ANAND and Chairman of the Deep C Anand Foundation, as an enterprising young man of 27 years, set up his first business venture, - Gabriel India. The flagship company of the Group, Gabriel, was set up in collaboration with Maremont Corporation (now Gabriel Ride Control Products of ArvinMeritor Inc.), USA, for manufacturing shock absorbers at Mulund in Mumbai.

**Amazon Internet Services Pvt. Ltd.:** Amazon Internet Services Pvt. Ltd. is one of the industry partners in SVSU's AICTE approved courses. This association is to develop cloud-ready job skills by deploying education, training and certification.

**East West Automation Tech Private Limited:** East West Automation is an ISO 9001, TS-16942 & UL-approved company which was established in 1994. The company is a well-established manufacturer and exporter of wiring harnesses for a wide range of products like Automotive Harness, Telecom Harness, CNG Harness, White Goods Harness, UPS Inverter Harness, etc. and the entire range of Molex housings, terminals, connectors, and headers.

**Hero Moto Corp Ltd.:** Hero Moto Corp Ltd. (Formerly Hero Honda Motors Ltd.) is the world's largest manufacturer of two-wheelers since 2001, with its current turnover of Rs. 32,000 Crores. Hero MotoCorp commenced production as a joint venture between Hero Cycles of India and Honda of Japan in 1984, based on Japanese know-how and technology. Their products include motorcycles and scooters.

**Jay Bharat Maruti (JBM) Group:** JBM group, a joint venture with Maruti Suzuki India Limited (MSIL), is keeping pace with the steep rise in demand and quality of passenger cars/vehicles. Even in the backdrop of entry of international auto players in the country, JBM has successfully expanded its manufacturing capacity and capability. Its world-class manufacturing capabilities include imported and indigenous press lines and robotic welding lines as well as plating and painting facilities. The JBM Group has a Pan-India presence with over 40 production units spread across the country.

**Padget Electronics Pvt. Ltd.:** It is a wholly subsidiary of Dixon Technology (India) Ltd. which has been leading the electronic manufacturing services (EMS) space in India. Padget Electronics Private Limited was incorporated on June 2013 as a private limited company having registered office located at Noida. Dixon, the Largest Electronics Manufacturing

Services (EMS) provider in India, has focused on high value lighting electronics products, consumer electronics, home appliances, mobile phones & reverse logistics. It provides end-to-end solution in manufacturing-designing, global sourcing, Manufacturing and Quality Testing. Most of the manufacturing facilities have been accredited with Quality Management Systems & Environmental Management systems.

**Quadsun:** Since its inception in 2015, QUADSUN has been originating sustainable energy systems that embody several breakthroughs in optics, mechanics, thermodynamics, power electronics and tracking algorithms. It works towards a cleaner world and innovating to develop sustainable energy technology solutions for the future. This company deals with the world's most efficient solar heat generator (CST H3500), AI enabled ultra-high efficiency evaporation system, low cost, reliable and durable PV trackers and installations. It has got CST & Solar Cooker Excellence Award 2016, presented at the national workshop on concentrating solar technologies & solar cookers on 29 April 2016 at New Delhi and certificate of appreciation for proactive manufacturer in innovation of CST Systems by Ministry of New and Renewable Energy, Govt. of India.

**Roop Automotives Ltd. (RAL):** RAL is one of the largest OEM suppliers of auto components like steering yokes, automotive connecting rods, automotive housing, differential housings, connecting rods, auto steering parts, and safety automotive parts. RAL has established its name in the auto components industry and has a strong presence in Tier-II segment of the industry.

**Senior India Private Limited:** Senior India Private Limited is a UK-based MNC with its headquarters in London. It is registered in the London Stock Exchange. Senior has operations in 14 countries with 33 manufacturing facilities worldwide. Senior India Private Limited is a 100% subsidiary of Senior PLC UK. Senior India was established in 1993 under the name of Inalsa Flexonics that was taken over by the Senior Group in 1998. Senior designs, manufactures, and markets high-technology components and systems for the principal original equipment producers worldwide in aerospace, defense, land vehicles, and energy markets. Senior India is a leading manufacturer of Automotive Flexible Exhaust Connectors (Bellow and Interlock types), and SS Bellows. Senior India has also introduced engine products, viz. EGR coolers, Fuel rails, EGR tubes, Turbo Oil Drains, Turbo Oil Feeds, etc.

**Falconix :** Falconix Technologies Private Limited was founded with the purpose of offering a wide range of solutions and services in the field of information technology. These include web designing, web development, web analytics, web app development, mobile applications development, digital marketing, e-commerce solutions, artificial intelligence, machine learning, custom software solutions, custom CRM solutions, SEO, and SMM.

**Momagic: MoMagic** Technologies ([www.momagic.in](http://www.momagic.in)) is head quartered in India and focuses on mobile platform operation and mobile Internet service for India and other emerging markets. MoMagic is strategic partner for world's leading mobile chipset company MediaTek.

Focus of MoMagic is to work as enabler for delivering applications, content, information and intelligent transactions to consumers. MoMagic works towards innovation in new generation mobile arena and is recognized for its product ingenuity, technology platform robustness, business responsiveness and flexibility.

MoMagic offers smart solutions to Enterprises using mobile as a medium for communicating with their customers and enabling business processes. MoMagic engages in development and operation of Mobile AppStore, Mobile middleware platform, Mobile VAS applications aggregation and distribution, building up scalable backend servers and billing platform.

**Zetrance technology private limited:** Zetrance AR is an innovative Extended Reality (XR) company, pushing the limits of Virtual Reality (VR), Augmented Reality (AR), and WebXR to create immersive experiences like never before. Zetrance has a team of visionary engineers, designers, and creators are dedicated to shaping a new reality that seamlessly merges with the world around us. Augmented Reality takes center stage at Zetrance, enhancing your everyday world with a touch of magic. Their cutting-edge AR applications seamlessly blend digital content with our physical environment, creating an interactive and transformative experience. From interactive educational tools to mind-blowing entertainment, Zetrance opens up a world of endless possibilities at your fingertips.

## About The Programmes

### Undergraduate Certificate in Music (Folk Art - Banchari/Instrumental/Vocal # In-Campus

**Department:** Skill Department of Language and Culture

**Duration:** 1 Year (2 Semesters)

**About the programme:** Undergraduate Certificate in Music (Folk Art-Banchari/Instrumental/Vocal belongs to old Brij culture. This rich art form is today confined to few villages in Faridabad and Palwal districts and is being kept alive by few artists through the Guru-shishya Parampara. The art form is mostly dedicated to the worship of Radha-Krishna and divine love, and comprises singing, dancing, and playing of various musical instruments. The songs are based on ragas, which include devotional, rasiya (love) songs, martial, patriotic, holi songs, singing paeans, and songs to suit every occasion. Banchari artists also stage Ram Leela and other plays. Musical instruments like harmonium, dholak, manjeera, bansuri, and jhanj are played by the artists. The most impressive instrument is the huge nagada (war drum). The Banchari troupe looks simple and rustic, yet impressive, in kurta pajama with a colourful turban and garland.

**Shivansh Farms:** Shivansh Farms is a part of Hans foundation that tests simple and effective agricultural technique at research farm in New Delhi. Shivansh compost prepared by them, is a cost-free fertilizer that can transform unproductive land into a thriving farm, enabling farmers to reduce, or completely eliminate the use of chemical farm inputs. Their techniques offer a clear path for farmers to quickly revive the natural fertility of their soil using only materials a farmer could easily access such as leaves, animal manure and water.

**Farmus Farms:** Farmus Farms is a community centric agritech venture that seeks to make the Indian food system chemical free, sustainable, transparent and traceable. Having deep roots in agriculture and thorough knowledge of horticultural sciences, their team is well experienced and equipped with all the ancestral knowledge, latest scientific research and advancements, technical know-how, financial backing and field expertise. Their core values are organic and chemical free, progressive farming practices, recycling, ensuring sustainability, reducing environment damage at every end, and fresh food availability to all.

# Admission Procedure

## Admission Procedure

### Overview

1. For Out-Campus programmes : The student must have attained the age of 18 years as on 10-01-2025 for programmes in which OJT will be offered in 2nd Semester on 15-08-2024 where OJT shall be started in 1st Semester (BVoc Mechatronics Hero Motocorp) For D.Voc. programmes, In case of deviation, the decision of CA shall be final. Only those students who meets the eligibility of age for admission during OJT will be admitted
2. For In-Campus programmes: there is no minimum age of applying for admissions.
3. No. of seats may increase or decrease without any personal communication to the candidates.
4. In such programmes where the industry partner has yet to be finalised, detailed information will be released later.
5. The stipend will be paid at the discretion of the industry partners and will be paid exclusively during the OJT period. It is not a matter of right.
6. If the number of students admitted in a programme is less than 30% of sanctioned intake, programme will not be offered. However 100% fees will be refunded on the request of student or student may be allowed to select other programmes based on his or her eligibility subject to availability of seats, however student will have to comply with the selection procedure.
7. The programmes are offered in collaboration and consultation with Industry partners. If proposed industry partner does not accord consent, the programme may not be offered session 2024- 25. The Industry partners are tentative and may change.
8. This is for applicable cases for relaxation in minimum eligibility marks for reserved category (SC/ST) Candidates. The Chief Secretary to Govt. Haryana, Chandigarh conveyed the instructions vide letter No. 22/129/2013-1GS III dated 16.07.2014 regarding prescribing minimum eligibility qualification for the various courses for reserved candidates as per the procedure in compliance with the judgment of Hon ble Supreme Court passed in CWP No. 7084/2011 e.g. "A General candidate requires to have 50% marks, then as per Govt. instructions by giving 5% relaxation the minimum eligibility marks for a reserved caste candidate should be calculated as under:-  
Out of 100 marks needs to less = 5  
Out of 1 Marks needs to less = 5/100  
Out of 50 marks needs to less =  $(5/100) \times 50 = 2.50$   
This way, minimum fewer marks where general category candidates are required to have 50% in a prescribed qualification, the total required marks for reserved candidates will be  $50 - 2.50 = 47.50$  and not 45."

## Centre Of Excellence

Centre of Excellence at Shri Vishwakarma Skill University, Haryana has been setup in 2023 under the vision of the founding Vice Chancellor Prof. Raj Nehru with mission to build a flagship excellence centre which provide Skill Education for bridging the gap between academic learning and practical application. Aligned with University Vision to emerge as a premier centre for skill development to provide an exceptional learning experience that equips students with the knowledge, skills, and competencies necessary to excel in the workforce and contribute meaningfully to society.

Infrastructure and funding support for the Centre of Excellence is provided by the Shri Vishwakarma Skill University, currently offering certification, D.Voc, Diploma, B.Voc, B.Tech, M.Tech and Ph.D Programmes in various disciplines of Engineering, Management, Applied Sciences, Humanities and Agriculture.

Centre of Excellence is having expertise in the field of Advance CNC Machining, Advance Welding Technology, Advance Mechatronics, Advance Solar, Advance Electrical, Electrical Vehicle, Robotics and Automation, AI and Cyber Security for skilling, up-skilling and training needs of both academia and Industry. The focus of this centre of excellence is to create innovative talent through training and education to fulfil the industry demand and create societal impact. The aim of the centre of excellence is to become self-sustainable entitie by generating revenue and funding through trainings, production tie-ups, consultancy and government/ corporate funding schemes.

### Objectives

- To strengthen the technical skills of students through training and bridging the skill gap to fulfil the industry demand in different job roles.
- To develop the training programs for the training in specific sectors with special focus on emerging technologies.
- To utilize the latest technology to enhance the employability of students.

### Facilities and Infrastructure available at Centre of Excellence

#### Advance CNC Machining

Skill Department of Automotive Studies established the Advance CNC Machining Laboratory at Centre of Excellence which is equipped with CNC Simulator having capability of High Quality 3D Simulation enabling Realistic Virtual Machining features. Students will be trained

into machinists on CNC Simulator without exposing them to physical danger that would come with the operation of heavy machinery. In addition to CNC Simulator, Heavy duty Industry grade CNC Turning and CNC Milling machines with Fanuc & Siemens Controllers were installed in Advance CNC Machining.

Hands on training on these high end CNC machines and live industry projects will provide exposure to the university students and make them industry ready in the domain area of CNC Machining and programming

 <p>Mr. Durgesh Gupta, SI CNC Simulator &amp; CNC Turning</p>	
 <p>Mr Gurdeep Kumar, SI CNC Milling</p>	

### Advance Welding

Skill Department of Automotive Studies established the Advance Welding Laboratory at Centre of Excellence which is equipped with TIG Welding, MIG Welding, SMAW, Oxy-Acetylene Welding heavy duty Industry grade latest technologies from American-Swedish based company i.e ESAB. Advance Welding lab provides platform for skill development, allowing students to enhance their welding skills under the guidance of experienced instructors. Exposure and hands on training on the wide range of available welding technologies familiarizes students and help them to learn about the features and capabilities of latest welding equipment’s and preparing them for the diverse requirements of modern industry.

Ms. Ekta, SAP  
Incharge Advance Welding

Mr. Brijesh Poswal, Forman  
Advance Welding

Mohd. Saalim, SI  
Advance Welding

**Salient Features:**

- Metal Inert Gas Welding (ESAB)
- Tungsten Inert Gas Welding (ESAB)
- Metal Arc Welding (ESAB)
- Oxy-Acetylene Gas Welding (Messer)

**Advance Mechatronics**

Skill Department of Automotive Studies established the Advance Mechatronics Lab at Centre of Excellence which is equipped with setup for training on pneumatic/hydraulic system, PLC training, Modular Production System, Assembled Industry 4.0 Enabled Module from the leading manufactures FESTO and SMC. Advance Mechatronics lab serves as a hands-on learning environment where students can apply theoretical knowledge to practical projects. Equipped with state-of-the-art technologies from FESTO and SMC, students have the opportunity to work with advanced components such as pneumatic actuators, electric drives, sensors, controllers and PLCs.

## 2. Certification Course for PLC Programmer

While working on mechatronics systems students will be able to learn how to design, assemble, PLC programming and program integrated systems for various applications, such as automated manufacturing, robotics, and control systems. This hands-on experience with programming and control prepares students for careers in automation, robotics, and embedded systems development.

Mr. Dinesh Yadav,  
SAP  
Incharge Advance  
Mechatronics

Mr. Jagbir Singh,

### Salient Features:

- Basic Pneumatic/Hydraulic Training Kit
- Basic Electro Pneumatic/hydraulic Training Kit,
- PLC (Programmable Logic Controller) Training Kit
- Stamping Demo Kit
- Sensor Training Kit
- Modular Production System with 3 MPS Training Setup
- Assembled Industry 4.0 enabled Module having IO Link Serial Interface and Position

### **Advance Electrical Lab**

Skill Department of Green Technology established the Advance Electrical Lab at Centre of Excellence. Advance Electrical Lab aims to provide a quality electrical engineering education

with extensive practical knowledge and skills in power converter based systems, pulse width modulation (PWM) technique, power quality indices, energy efficiency analysis of various power electronic systems, battery charging techniques, control of electric vehicle (EV) drives, advance energy auditing for industries, integration of solar PV with other energy sources and grid.

The lab is having the advance set-ups to train the learners for the job role of motor control/Variable frequency drive operator, E-rickshaw maintenance technician/engineer, inverter/UPS technician, heating oven system designer, Advance Energy auditor etc. The short-term courses aiming to generate employment for the aforementioned job roles shall be designed and offered to the students having educational qualification at 10th onwards.

Dr. Preeti, SAP  
Incharge Advance  
Electrical Lab

Mr. Puneet Raghav,  
Foreman

**Salient Features:**

- BLDC Drive System
- Single phase Induction Motor coupled with DC machine
- Three phase Induction Motor coupled with DC Generator
- Single Phase/ 3-phase Semi Controlled Phase Control Rectifier
- 3-phase AC power Controller
- Single Phase/ 3-Phase PWM AC Power Controller Setup
- Single Phase Single Pulse PWM Inverter Test Setup
- Solar Emulator

## Advance Solar Lab

Skill Department of Green Technology established the Advance Solar Lab at Centre of Excellence which is equipped with setup for provide a comprehensive hands-on training on photovoltaic and solar thermal technologies, energy storage, and concentrating solar power setups for training in the field of solar energy and renewable energy systems. Hands on training enhances their understanding of theoretical concepts and allows students to develop technical skills of installing and maintaining solar energy systems. These skills are highly valuable in the growing renewable energy industry and prepares them for real-world applications.

Dr. Sunil Kumar, SAP  
Incharge Advance  
Solar Lab

Mr. Parveen, SI

### Salient Features:

- Solar PV Training Kit
- Solar Thermal Energy Storage System
- Solar Concentrator Training System
- Solar Thermal Training System
- ETC Characterization System for Thermal Analysis of Fluids

## Central Library

About the Central Library, SVSU

Digital technologies create new opportunities and possibilities for development of new products and delivery of services. It has also changed basic assumptions about organisational structures, working relationships and quality of library services in the university. The Library is further challenged to explore new possibilities and implement changes to establish new roles and responsibilities and determine knowledge, skills and abilities required.

The Central Library, SVSU has been trying to do the same over the years and as per feedback from its patrons has been quite successful in this venture. The Central Library not only proactively work on its collection building and infrastructural augmentation, also put lot of emphasis on facilities for users. Like previous years, this year also focus was on the strengthening of collection and implementation of latest information and communication technologies in its services. Now, the Central Library has started some advance library services like Inter library loan services, Web OPAC, E-Granthalaya App. Plagiarism check services, CAS Bulletin, Online reservation of books etc.

### Highlights of the Central Library

- Independent Central Library block with state of art facilities.
- Library is fully air-conditioned along with Wi-Fi facility.
- Library is fully automated through E-Granthalaya Software with barcode enable transaction of reading materials.
- Library has separate website, digital library, digital repository and can be reached by its website: <https://svsulibrary.in>
- Library provides research assistance services through anti-plagiarism software Turnitin and Drillbit software .
- Library offers online library catalogue (Web-OPAC) to know status of available books, reserve books, due date of issued reading materials.
- Library provides e-library facilities with advance computers along with printing and scanning facility.
- Library is having collection of 15000 printed books, 25000 e-books and 12000 e- journals ( subscribed and open access) of reputed publishers like Springer/IEEE / Mc Graw Hill, Wiley, Prentice Hall, Pearson Education etc. accessible 24x7 through Remote Access Facility.
- The Central Library is having an institutional repository for preservation of previous year question papers, university syllabus, faculty notes, faculty publications etc.
- Library organise workshop, seminar, orientation and induction session, book review, a book exhibition for the library users regularly.
- The CCTV Cameras keeps surveillance in the whole library.

### Our Alumni Says

## Big Dreams Come True Here!!!

**VIKRANT YADAV**

Grateful to have graduated from Shri Vishwakarma Skill University with a Master of Vocation in Entrepreneurship! The hands-on learning and industry-focused curriculum laid a solid foundation for my entrepreneurial journey. Now, as I embark on the Fellow Program in Management at Entrepreneurship Development Institute of India, I'm excited to further refine my skills and knowledge in the field. Grateful for these incredible learning opportunities shaping my path to success!

**SAHIL CHANDORA**

My team and I created a cost-effective, user-friendly, and eco-friendly four-wheeled electric vehicle for our university premises. This project was an aggregation of learnings, covering engineering concepts, teamwork, procurement, fundraising, and more.

Guided by our university's skilled faculty, we navigated every step from designing, crafting the chassis and body, selecting components, purchasing, assembling, to the final testing.

This hands-on experience enlightened us on creating sustainable solutions and the importance of collaboration, paving the way for practical knowledge beyond textbooks.

**SANDEEP KUMAR**

In my journey of Entrepreneurship, SVSU plays a pivotal role through which I were got the opportunities to experience the real world by working in the big organisations. And the outcome of this learning is that, currently am running my own organisation in consulting nsulting o of Skilling and Project Management Solutions in Agriculture, rural Development, technology, Education, Finance and Development Sector.

**RANI**

Warm greeting to everybody. My name is Rani, I am a student of B.VOC Management – Financial Services '5th Sem'.

At Shri Vishwakarma Skill University my experience was invaluable. The Course structure 6 months' classes + 6 months training gave me valuable experience about on job training. All the faculty members who teaches us were very frank, helpful and supportive. In our campus, we participated in extra curriculum activities Like Diwali fest Management, Fresher's, Farewell management etc. These activities help to improve my management skill as well as my communication skill. The Knowledge I have gained in the past 3 years will always memorable for me and help me throughout my life

## KANCHAN

I am kanchan. I am student of M.Voc HRM at shri Vishwakarma skill University. Shri Vishwakarma skill University is the one where earn while learn facility is provided. After completing college, students of graduation or master's or diploma. They even don't know what job they want to do, in which profile they want to do. This University students get job before the completion of degree and even get their specialised area for work. Here we also got many training sessions to learn requirement of industries. I am very thankful for all achievements which are due to SVSU.

## TARUN KHUTELA

In my life journey of entrepreneurship, Shri Vishwakarma Skill University played a pivotal role since this focus on practical skills along with theoretical education. This skill education opened new paths for me in entrepreneurship world and today I am running my own clinical medical laboratory. My faculties guided me during my academic journey as well as during my clinical medical laboratory setup. My dream of serving society as health care provider has been fulfilled successfully!!!

## DHARAMBIR

I was graduated in Bachelor of Vocation in Medical Laboratory Technology (B.Voc.MLT) from Skill Department of Life Sciences and Healthcare, Shri Vishwakarma Skill University, the course was hands on learning and healthcare industry focus curriculum. I got the opportunity for the On Job Training (OJT) during graduation programme, learnt lot of practical and theoretical knowledge in the Medical Laboratory Sciences (Hematology, Clinical Pathology, Microbiology, Serology, Biochemistry, and Phlebotomy). The university and teachers have given a good environment for the preparation of competitive exams to serve the services for Nation in Healthcare sector. After the completion of graduation degree. I was selected in the Government job as Medical Laboratory Technician in the ESIC Health Department, Government of Haryana. I'm thankful for these amazing learning experiences that have shaped my successful career.

## University Discipline

Students are expected to abide by University's rules and regulations and maintain discipline. As adults, they should conduct themselves in a manner that is in consonance with civilised behaviour and courtesy. Defaulters will be subject to disciplinary warning/action/expulsion from the University for a Term Basis or forever, depending upon the severity of the case. For major punishment, such as expulsion/rustication from the University, making an adverse entry on the Character Certificate to be issued by the University and debarring a student from admission to any programme offered by the University etc. the decision will be taken by the Dean or as per the recommendations of Students' Discipline Committee of the University. ## Department of Student's Welfare

### Prof. (Dr.) Kulwant Singh, Dean - Student's Welfare

In the dynamic landscape of skill higher education, the role of the Department of Student's Welfare (DSW) stands out as a pivotal force shaping the student experience. At Shri Vishwakarma Skill University, Haryana, we recognize the immense significance of this division, understanding that it serves as a bridge between students and the broader university vision. In this narrative, we delve into the multifaceted responsibilities and the proactive vision that defines the DSW, emphasizing its crucial role in fostering a thriving, inclusive, and engaging campus community.

The DSW at our university is not merely a bureaucratic post; rather, it symbolizes a commitment to student well-being, growth, and success. One of the primary facets of the DSW's responsibility is to provide robust academic support, ensuring that students have access to resources and guidance necessary for their educational journey. This includes facilitating communication between students and faculty, offering mentorship programs, and implementing initiatives that enhance the overall learning experience.

Beyond academics, the DSW is a key player in nurturing the mental health and well-being of students. Recognizing the pressures and challenges that students may face, the DSW oversees counselling services aimed at creating a supportive environment. By destigmatizing mental health concerns, the DSW encourages students to seek help when needed, fostering a culture that prioritizes emotional well-being as an integral part of personal development.

Extracurricular activities play a vital role in shaping a well-rounded individual, and the DSW plays a pivotal role in promoting and coordinating these activities. Whether it's cultural events, sports, or community service, the DSW ensures that students have ample opportunities to explore their interests, showcase their talents, and build a sense of community. These activities not only contribute to personal growth but also create a vibrant campus life that adds richness to the overall university experience.

As we navigate the ever-evolving landscape of higher education, the DSW remains steadfast in its commitment to creating an inclusive, supportive, and empowering environment for all students.

## Abhinandan

### **ABHINANDAN: Veer Balidani Kritgayata Yojna (AVBKY)**

This is a special scheme for the wards and spouses of martyrs and gallantry award winners from the Indian security forces.

1. India is constantly at war with the forces inimical to its sovereignty, freedom and unity. Our security forces - Armed Forces, Central Armed Police Forces and State Police have been fighting such disruptive elements resolutely, at times, offering their supreme sacrifice at the altar of the nation.
2. Every year hundreds of security forces' members lay down their life in line of duty. For the families of martyrs, it is a major trauma in their lives – emotional as well as financial.
3. While respective security forces' organisations have their own system of looking after the affected families, there is a requirement of providing a platform to the spouses and wards of the martyrs and gallantry award winners to help them pursue skill-based formal education.
4. It is with this thought in mind, Shri Vishwakarma Skill University has launched Abhinandan: Veer Balidani Kritagyata Yojna, proposing to provide opportunities of skill-based education to the spouses and wards of the martyrs and gallantry award winners of the members of the security forces.
5. The eligibility for Abhinandan: Veer Balidani Kritagyata Yojna (AVBKY) is wide-based covering the members of Armed Forces, Central Armed Police Forces and State Police who have laid down their life for the motherland or won a gallantry award in multiple terrains and variety of conflict situations.
6. Shri Vishwakarma Skill University is offering ten (10) AVBKY scholarships for its academic session 2024-25 The scholarship shall be covering the tuition fee, hostel fee, messing, uniform and once in a year to and fro rail fare for the student.

## ANNEXURE B-3

Instructions regarding Bonafide Residents of Haryana issued vide letter No. 62/17/95-6 GSI

Dated 3rd October, 1996, No. 62/32/2000-6GSI dated 23rd May, 2003 and No. 62/27/2003-6GSI

dated 29th July, 2003 by the Chief Secretary to Government Haryana.

Subject: Bonafide residents of Haryana-Guidelines regarding

I am directed to invite your attention to Haryana Govt. letters noted in the margin on the subject noted above vide which the instructions were issued regarding simplification of procedure for obtaining the certificate of domicile for the purpose of admission to educational institution (including technical/medical institution). The matter has been reconsidered in the light of judgment delivered by the Hon'ble supreme court of India in the case of Dr. Pradeep Jain vs Union of India and other reported as AIR 1984-SC-1421, wherein it has been held that instead of the word Domicile the word Resident be used in the instruction issued by the State Government and it has been decided to revise the Government instructions.

Henceforth, the following categories of persons would be eligible for the grant of Resident Certificate:

- I. Candidates, who have passed the examination qualifying there for selection in an institution from a school/college in Haryana.
- II. Children/Wards (if parents are not living)/Dependents of the:
  - A. Employees of Haryana State posted in or outside Haryana State or working on deputation.
  - B. Employees of the statutory bodies/corporations established by or under an act of the State of Haryana who are posted in Chandigarh or in Haryana or outside Haryana.
  - C. Employees of the Government of India posted in Chandigarh or in Haryana in connection with the affairs of the Haryana Government.
- III. Children/wards (if parents not living)/dependents of persons who after retirement have permanently settled in Haryana and draw their pensions from the treasuries situated in the State of Haryana.
- IV. Children/wards (if parents are not living)/dependents of pensioners of Haryana Government irrespective of the fact that the original home of the retiree is in a state other than Haryana or he has settled after retirement in or outside Haryana;
- V. Children/wards (if parents are not living)/dependents of persons, who have permanent home in Haryana and include persons who have been residing in Haryana for a period of not less than 15 years or who have permanent home in Haryana but on account of their occupation they are living outside Haryana;
- VI. The wives of such persons who are bonafide residents of Haryana irrespective of the fact that they had belonged to any other state before marriage;
- VII. Persons who were born in Haryana and produce a certificate to that effect; provided that the parents/guardians (if parents are not living) of persons belonging to any one of the above-mentioned categories are:
  - A. Citizen of India;
  - B. Produce an affidavit to the effect that they or their children/wards (if parents are not living)/dependents have not obtained the benefit of Resident in any other State.

VIII. Children & Wards of the accredited journalists residing at Chandigarh and recognized by Govt. of Haryana.

1. All candidates claiming to be bonafide residents of Haryana should produce a Haryana Resident Certificate signed by the District Magistrate/General Assistant to Deputy Commissioner or Sub-Divisional Officer (Civil) of the District/Sub-Divisions to which the candidates belong. Resident Certificates in respect of elsewhere or in respect of the Children/Wards/Dependents of Haryana Govt. employees who are posted at Chandigarh, Delhi, or elsewhere or in respect of Children/Wards/Dependents of pensioners of Haryana Govt. or in respect of the Children/Wards/Dependents of the employees of the Government of India posted at Chandigarh or in Haryana in connection with the affairs of Haryana Government, or in respect of Children/Wards/Dependents of the employees and retirees of the Statutory Bodies/Corporations of Haryana established by or under an Act of the State of Haryana or a Central Act and located at Chandigarh, Haryana, or outside Haryana, should be by their respective Heads of Departments.
2. Candidates, seeking admission in educational institutions (including medical and technical institutions) located in Haryana, may not be required to produce Resident Certificate if they have passed the examinations from a school/college situated in Haryana. For this purpose, a certificate of the Principal/Headmaster from the concerned institution, where the children/wards studied last should be considered sufficient. The Principal/Headmaster of the institution shall be competent to issue such certificate, which should be sufficient.
3. If a candidate is admitted on the basis of claim that she/he belongs to the State of Haryana but at any subsequent time is discovered that her/his claim was false, the student shall be removed from the institution and all fees and other dues paid up to the date of such removal shall be confiscated. The Principal/Headmaster may take any other action against the student and his/her parents/guardians as he may deem proper in the circumstances of any particular case.
