

Shri Vishwakarma Skill University
(State University Enacted Under Government of Haryana Act No. 25 of 2016)
Haryana

Ref. No. SVSU/2024/395

Dated 15/07/2024

Circular

A recurring issue observed in the E-tender processes concerning the timing of Pre-Dispatch Inspections (PDI). It has been noted that in several instances, the PDI is conducted only after the delivery date of goods as mentioned in the purchase order or expiry of purchase order.

This practice should not follow in the future because of negative implications, primarily for the bidders, who are at risk of incurring liquidated damages also for University i.e. goods are not delivered on time.
