DSW/Nodal Officer
(Super 30) EDP**

Super 30 EDP is a platform where passion meets opportunity and dreams are nurtured into reality. Our Entrepreneurship Development Program is designed to empower aspiring entrepreneurs for thriving in to the dynamic world of business.

Programme:

The Super 30 Entrepreneurship Development Program (EDP) runs under a collaborative initiative between Shri Vishwakarma Skill University (SVSU) and Small Industries Development Bank of India (SIDBI). Through a rigorous selection procedure, the Programme selected 30 participants with innovative business ideas and entrepreneurial acumen.

Objective:

To provide Super 30, the knowledge, tools and support so that they turn their ideas into business opportunities and launch successful enterprises.

Program Design:

Module	Domain	Topic
Module 1	Entrepreneurship	• Introduction to Entrepreneurship • Entrepreneurial mind set / Design thinking/System thinking • Identifying Opportunities/ Problem Framing • Business Planning • Legal and Regulatory Considerations • Financial Management • Marketing and Sales • Team Building and Leadership • Entrepreneurial Networking and Support
Module 2	Business Module	• Introduction to Business and Entrepreneurship • Financial Management for Small Businesses • Human Resource Management for Entrepreneurs • Strategies for Small Businesses • Business Environment and Legal Aspects • Strategic Management for Entrepreneurs • Business Communications for Entrepreneur
