

SHRI VISHWAKARMA SKILL UNIVERSITY

First Skill University of India, setup by Govt. of Haryana

Diploma in Civil Engineering

Eligibility: Passed 10th standard/SSC examination from a recognized board/Equivalent.

The Diploma in Civil Engineering is a comprehensive technical program designed to prepare students for careers in the planning, design, construction, and maintenance of infrastructure.

The curriculum is structured to provide strong foundational knowledge along with hands-on technical skills required in the construction industry.

Students are trained to understand engineering drawings, analyse structural components, estimate project costs, supervise construction work, and ensure quality and safety standards at construction sites.

Key Highlights of the Program

- ◆ Strong foundation in core civil engineering subjects.
- ◆ Practical training through laboratory work.
- ◆ Field visits and industrial exposure.
- ◆ Training in CAD (Computer-Aided Design).

Career Opportunities

- Junior Engineer
- Surveyor
- Quality Control Technician
- Site Supervisor
- Construction Manager (Assistant Level)
