**Subject: Request to Publish and Circulate the Entrepreneurship & Startup Training Program 2026 on Your Website for Student & Faculty Participation.**

Respected Sir,

**Hon'ble Prime Minister Narendra Modi** has consistently emphasized the importance of innovation, self-reliance, and youth-led entrepreneurship in building the future of India. His vision of transforming India into a global hub of start-ups and job creators continues to inspire millions of young innovators and aspiring entrepreneurs.

The Entrepreneurship and Startup Training Program 2026 by **India Space Academy** is a professionally designed short-term skill development and start up awareness program intended to help participants understand the fundamentals of entrepreneurship, business development, and innovation, leadership, and start-up growth strategies.

India is rapidly emerging as one of the world's fastest-growing start-up and innovation ecosystems. With initiatives like **Start-up India, Digital India, Make in India, Skill India**, and the strong support of the **MSME sector**, entrepreneurship has become a powerful career path for students and young professionals across the country.

The program includes 2 weeks of online theoretical and practical training conducted by industry experts, Shark Tank India featured start-up founders, CEOs, investors, incubators, and digital marketing professionals, followed by a 1-week project phase where participants will apply their learning through practical assignments and real-world business problem-solving activities.
